NEW TWIN FALLS MOBILITY SERVICES COMPANY PROVIDING IN-HOME SOLUTIONS FOR COVID-19 RECOVERY, VETERANS, ELDERLY AND MORE

Liberty Access & Mobility Solutions is the only aging-in-place services company in the Magic Valley

TWIN FALLS, ID – June 8, 2020 – Liberty Access & Mobility Solutions is proud to announce it has recently opened in Twin Falls, Idaho and is the only company located in the area offering aging-in-place services and at-home mobility installations. Liberty Access & Mobility Solutions provides at-home mobility products and installation, including wheelchair ramps, stair and vehicle lifts, walk-in showers and tubs, and other mobility solutions.

Especially during the COVID-19 recovery process, the Twin Falls company can assist those who may require longer term care and assistance in the home and their vehicles. The company also assists veterans, the elderly and anyone needing additional mobility solutions at home.

“We provide innovative, durable, high quality products that allow people the freedom to remain living safely in their own home,” said Theresa Leija, Founding Partner of Liberty Access & Mobility Solutions. “We are proud to be a family owned Twin Falls company and, as the owners and installers, we will make sure our customers are taken care of and get the job done right.”

While there are other similar companies in Treasure Valley, Idaho Falls or Salt Lake City, someone needing a vehicle lift would have to take their vehicle there for installation or pay for the expensive service call. For products that require in-home installation, there has not been a local option since other companies have recently discontinued providing home modification services.

Located and serving in Twin Falls, Liberty Access & Mobility Services also serves customers in the Mini-Cassia, Wood River Valley, Mountain Home, Boise and surrounding areas.

For more information about Liberty Access & Mobility Solutions, please visit their website, libertyaccessmobility.com, or give them a call at 208-358-8052.

###

About Liberty Access & Mobility Solutions

Liberty Access & Mobility Solutions provides at-home mobility products and installation, including wheelchair ramps, stair and vehicle lifts, walk-in showers and tubs, and other mobility solutions. We are dedicated to quality workmanship and exceptional customer service. We provide value to our clients with in-home assessments and consultations to help you make the best decision for your home and budget, extended warranties on leading home and wheelchair accessibility brands, and certifications for the sale, delivery and installation of mobility products. libertyaccessmobility.com
